Rapport Youth & Family Services is a non-profit charitable organization that is largely funded by the Government of Ontario and the United Way of Peel. We believe that our services should be available to Peel's youth and families, regardless of their financial circumstances. As such, Rapport does not charge any fees for its publicly funded services. We value the financial contributions of friends and supporters of Rapport, and we are highly appreciative of these donations. They not only assist us in meeting our annual operating expenses, but more importantly, they provide ongoing support to the work of our staff and volunteers.
